A Chester Ronning Centre Series

Caring for All Creation

LAND, WATER, AND OUR COMMUNITIES

Victoria: Monday Evenings, March 3 – May 12, 2014

Vancouver: Tuesday Evenings, March 4 – May 13, 2014

Anywhere: Broadcast Live Online

Of Indigenous, Immigrant, or Settler story,
Spiritual, Religious or not:
We are called to care for our Earth.

Do you feel overwhelmed by climate change and global suffering?
Or, do you feel too few share your efforts to avert these crises?

Our stories and opinions are different, but we *all* care about
our lands, waters and future generations.
So, it is time to re-flect, re-imagine and re-work, *together*.

The *Caring for All Creation* series is premised on having to
create a caring community that knows each other and our
lands, as we take on the vital task of seeing, thinking and
acting in new ways.

Calling all youth, elders, non-religious, spiritual, religious, activists,
industry workers, unemployed, the hopeful, the doubtful.

It is time to recognize each other. And together, live into the
kinder future about which we all dream.
All are welcome. All are needed.
